Catering

Welcome to Rasoi

Rasoi Catering is a family-owned business.

Born out of a love for food, and wanting to bring something different to the table, Rasoi Catering brings a high-quality restaurant experience to your event. Available at various venues across the UK, our award-winning authentic fusion cuisine will impress guests and create an unforgettable dining experience.

We are passionate about treating each event differently, tailoring our approach to your individual needs. Our keen eye for detail, along with our team of experienced chefs with over 30 years' experience, will ensure your event is remembered for all the right reasons.

Our food is our passion, and we have worked hard to perfect our fiery fusion cuisine that our multi award-winning Rasoi restaurants are synonymous with.

Whether you're hosting a small event or an event for 1,000 people, our knowledge in hospitality and event delivery will give you the freedom to focus your attention on other elements of your function. Leave the food to us.

Our Food

All of our signature dishes have been crafted from authentic North Indian recipes and are boosted with a modern fusion twist.

We also offer Indo-Chinese, English, Gujrati and Halal menus; so that you have the perfect flavours to complement your event.

All dishes are cooked from scratch using only the best quality ingredients, to the highest standards. We have also hand-selected our team of experienced chefs, based on their specialties, creating the perfect blend of talent and flavour.

But we know it's not just about taste. Our dishes are presented beautifully and are crafted with care so that your guests will also enjoy a feast for the eyes.

Service Style

From laid-back to lavish, we cater for all.

Whether you want canapés, a buffet, or a sit-down meal, or fancy live food stations, fruit stalls, or a dessert table; we understand the power of ‘food theatre’ and how it can offer something truly spectacular to your event.

Your drinks package is just as big a part of your event as the food. Whether you want it to reflect a laid back, relaxed function or want to ‘wow’ your guests with something truly unique – from an aromatic chai stand to a sophisticated cocktail bar, the choice is yours!

All of this, coupled with a fantastic selection of crockery and cutlery, means the possibilities for your special event are endless.

Weddings

Your wedding is one of the most important days of your life. We will create a memorable experience for you and your guests to enjoy together.

From our initial consultation we can craft your menu to your taste and theme.

Our event managers will be there on the day to ensure that everything runs smoothly.

We are also the first choice for Gurdwara events, creating a range of opulent dishes which are synonymous with Gurdwara ceremonies.

Other Events

We can also cater for your other special occasions.

With our many years of catering experience, we appreciate that every function is different. Whether you are organising a birthday party, anniversary celebration or a corporate function, we are happy to work to a variety of tastes and budgets.

We can also make creative suggestions if you'd like something more unusual for your event.

Our main goal is to produce the highest quality and best tasting food to suit every palate and occasion.
